

Tip sheet for Midterm 1

The first midterm is based on the material covered in the class by January 24th.

1. You will be asked to state and prove a theorem from the notes.
2. There will be one question from assignment 1.
3. There will be one question from assignment 2.
4. You will be asked one question very similar to the examples in the notes.
5. One question possibly outside the above list.
