CONFERENCE INFORMATION

The purpose of the conference is to bring together people from all branches of mathematics and science with interests in recurrence sequences, their applications and generalizations, and other special number sequences. For the conference Proceedings, manuscripts that include new, unpublished results (or new proofs of known theorems) will be considered. Send abstracts of up to 500 words in text or \LaTeX or \TeX . Please include the author's name and title. The deadline for registration and abstract submission is June 25. More information regarding registration, accommodations, transportation, submission of manuscripts, and the conference program can be found at www.rit.edu/fibonacci.
