CONFERENCE INFORMATION

The purpose of the conference is to bring together people from all branches of mathematics and science with interests in recurrence sequences, their applications and generalizations, and other special number sequences. All participants are invited to give a 20-minute talk, provided their abstract has been accepted.

For the conference proceedings, manuscripts that include new, unpublished results (or new proofs of known theorems) will be considered. Submission information can be found on the conference website.

Conference registration, abstract submissions, and submissions to the Conference Proceedings are now open. Please see the conference website for further information. On-site registration will also be available.

Important Deadlines:

Early registration (at a lower rate): May 31

Abstract submission: May 31

Submission to Proceedings: September 30
