

## REFEREES

In addition to the members of the Board of Directors and the members of the Editorial Board, the following mathematicians, engineers, and physicists have assisted *The Fibonacci Quarterly* by refereeing papers during the past year. Their special efforts are sincerely appreciated, and we apologize in advance for any names that inadvertently may have been overlooked or misspelled.

AKRITAS, A. G. University of Kansas	EWELL, J. A. Northern Illinois University	PERETTI, A. Buenos Aires, Argentina
