

2016 AARMS Summer School Application Form

Thank you for your interest in the 2016 AARMS Summer School, which will be held on the campus of Dalhousie University, Halifax, Nova Scotia, Canada, from July 11 to August 5, 2016. Details of the courses and lecturers can be found on the web at <https://aarms.math.ca/the-2016-aarms-summer-school/>. The AARMS Summer School will pay the accommodation expenses of the school's participants, but is unable to reimburse any costs of travel.

If you are interested in attending the 2016 AARMS Summer School, then please submit the following materials to Dr. Geoffrey Cruttwell at gcruttwell@mta.ca:

- (1) An application form (which you can find below: either modify the existing document or make a text file with the required information).
- (2) A copy of your academic transcripts (unofficial transcripts are acceptable).
- (3) Arrange to have your supervisor or department head send a letter of reference to the above email address. The letter should comment on your suitability to participate in a summer school, and should also comment on your preparedness to take the two courses that you indicate in the application form.

To ensure that your application receives full consideration, please ensure that all of your application materials reach us by 15 March 2016. Applications that are received after this date may be disadvantaged. Students who are selected to attend the summer school will be informed by e-mail starting in early April.
