Instructions (please read before sending the attached form)

The rooms in the dormitories are arranged in two-bedroom suites, sharing a kitchenette and a bathroom. The price per suite is $99.00+tax, (so therefore the price per room is $49.50+tax).

NOTE. Unfortunately, the dormitory staff is only willing to rent out *entire suites*, not individual rooms. This means that each person needs to make arrangements to: either rent an entire suite, or else to share a suite with another person. It is only necessary to send one registration form per suite (you should indicate the name of the person you are sharing with on the form).

If you need help finding a person to share your suite with, you can email the summer school organizers at *selinger@mathstat.uottawa.ca* and we will try to match you with another person.

Send the attached form with your payment information to:

> Residential Complex, Summer Accommodation
> University of Ottawa
> 90 University
> Ottawa, Ontario K1N 1H3, Canada
> Phone: +1-613-564-5400 (dial 0 for operator)
> Fax: +1-613-564-6530

Note for sponsored students and sponsored participants

If your accommodations are paid for by the organizers (i.e., if you are a sponsored summer school student or a sponsored workshop participant, and we sent you an email saying that we would pay for your accommodations), then you do not need to send this form. Instead, please let us know your arrival and departure dates by email at *selinger@mathstat.uottawa.ca* by April 25, 2003. We will make the arrangements.

FIELDS INSTITUTE SUMMER SCHOOL
Logic and Foundations of Computation
June 2-20, 2003
University Residence Accommodation
University of Ottawa

Request for reservations must be received no later than: **April 25, 2003**
